Congratulations to the Wembley Family Fun Day Team
Wembley Family Fun Day held last Saturday was an overwhelming success in achieving all of its goals for the school. The coming together of families and students-present, past and future, to share a day of exciting activities, created such a friendly atmosphere for all involved and was something to be treasured and reflected upon for a long time to come. A huge thank you must go to Belinda Faehrmann who coordinated the entire event. Throughout the lead-up to the big day Belinda was calm, focused and task oriented as she met with team leaders, organized sponsors and attractions and attended to last minute needs with grace and calmness. To all of the parents, friends, teachers, helpers and sponsors who all contributed to the success of the Wembley Family Fun Day thanks is expressed from the entire school community for such a wonderful effort and a superb day. A photo snapshot of the event is included with this week’s newsletter and more photos will be uploaded to the website over the holidays. A follow-up de-brief and review meeting will be scheduled early Term 2 to discuss the organization and operation of the WFFD 2013 so if parents have any feedback it can be forwarded to Annmaree Jones for consideration.

All proceeds raised from the gold coin donation for the Free Dress Day will be sent to the Good Friday Appeal along with the envelope collections and money raised last year, by an enterprising group of students (currently in Year 3). Students are able to come to school in casual clothes on this day.
Our Wembley Family Fun Day
was a tremendous success on Saturday. The weather was great and a lot of fun was had.
The feedback that we are continually receiving from families who attended has been glowingly posi-
tive.
The focus of our WFFD is bringing people together. This happens through lead up working bees, coordi-
nators sharing ideas, various volunteering jobs and of course on the day itself.
WFFD also provides a lot of free entertainment and activities throughout the day.
WFFD did raise somewhere around $27,000 - $28,000 which is extremely satisfying for all those in-
volved.

**EXPERIENCE ANOTHER CULTURE IN 2013 AND IMPROVE YOUR LANGUAGE STUDIES AT HOME**

In June-July students from over 20 countries around the world will be arriving in Australia to study at local high schools for 5 or 10 months. Opportunities exist for families to act as a host family, in a volunteer capacity. Hosting can be on a temporary, short or long term basis. Host families help provide international students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill.

If your family can offer a friendly, supportive and caring home environment, contact us today.

WHY SWIMLAND?
My three year old, who has only had 15 lessons at Paul Sadler Swimland, fell into the deep end. I found him with his head up, treading water on his own - WOW. I can’t believe he has learnt this very valuable skill in such a short time. Thank you!”
