School Council 2015
The new School Council met on Monday evening to elect the office bearers for the year. School Council plays a vital role in the governance of the school, it oversees the financial operations and the maintenance of the school buildings and grounds. Several sub committees report directly back to School Council and they are: Education Committee, Finance, Buildings and Grounds, Wembley Action Group, Out of School Hours Care Program and the Junior School Council. Parents are invited to join any of the committees to provide their input and support. If you would like to contribute your ideas to one of the subcommittees please contact the committee convener (as listed below) or Annmarie Jones, for further information. The dates and times of sub committee meetings will be decided at the next School Council meeting, which will be held next term on Monday 20 April, 6.30pm in the staffroom.

Sub committees are as follows:
Education Committee, convened by Vassie D’Arcangelo
Finance Committee, convened by Michael Umseher
Wembley Action Group, convened by Belinda Faehrmann
Buildings and Grounds Committee, convened by Terry Lawless
Out of School Hours Committee, convened by Annmarie Jones
Junior School Council, convened by Juliet Taylor

Late Arrival to School
Mention was made last week of the impact of late arrival of students to class in the morning. This week a survey of students late in the morning has been conducted as the students call past the office to collect their late pass on the way to class. The number of students who are arriving late is staggering.

Last Day of School for the Term
Parents are reminded that school will dismiss on Friday 27 March at 2.15pm for the Term holidays. An assembly will be held to present our Student of the Week awards at 2.00pm and then the students will be dismissed at 2.15pm.
Parents are asked to have their children at school by the first bell, 8.55am each morning. This way the children have time to unpack their bag and organize their belongings in readiness for a productive day of learning.

**Road Safety-Francis Street**

Over the past two weeks several notifications have been made to the office of potentially dangerous student behaviour when crossing the roads surrounding the school. Students have been observed crossing Francis Street near the intersection of Hawkhurst Street and not at the patrolled Pedestrian Crossing at the corner of Wembley Avenue and Francis Street. Local community members are aware of the volume of heavy traffic on Francis Street and the threat that this may cause to the safety of children who need to cross this busy road. A Crossing Supervisor is on duty every morning and every afternoon after school to ensure the safety of our children. Parents are asked to talk to their children about road safety and to reinforce that the correct place to cross the road is at the supervised crossing.

**Junior School Council-Free Dress Day-Thursday 26 March.**

The Junior School Council had their first meeting on Monday and the first activity that they have planned is a Free Dress Day, this will be held on Thursday 26 March (the second last day of the term). All students can come in their casual clothes and for the privilege they are asked to donate a gold coin (preferably two dollars) to the Royal Children’s Hospital Good Friday Appeal. This money will be collected on Thursday morning by our Junior School Council members.

**Hot Cross Buns**

Wembley and Baker’s Delight once again have combined to sell hot cross buns prior to the term and Easter holidays. The buns are $7 per half dozen and varieties available for purchase are: fruit, fruitless, choc chip and mocha. An order form can be found in today’s newsletter and orders can be left at the office. Please include your child’s name, class and room number and the correct money, to assist with the sorting and delivery of the buns. Hot Cross Buns will also be sold after school on Wednesday 25 and Thursday 26 March and before the final term assembly on Friday 27 March. If any parents are available to help out with this fundraising activity please contact Annmaree Jones.

**Regional Swimming Carnival**

On Tuesday of next week (March 24) eighteen of our students will represent Wembley in the Regional Swimming Carnival to be held in Geelong. We congratulate our team for their dedication and effort in getting to this next stage in the Primary Schools competition.

Dear Parents/Guardians,

During Term1 many children participated in the Metafit program I ran at lunchtimes. It was fantastic to see so many children participating with enthusiasm and getting fit at the same time.

Metafit is a 30 minute interval training session using your own body weight, suitable for all fitness levels.

I will be offering Metafit classes again during Thursday lunchtimes in the school hall. There will be limited spaces available for children in grades three to six.

As the classes are run during lunchtimes children will not miss out on any school work. Students enrolled in the program will have a 30 minute class per week. The classes will be run by me, Kelleigh Evans.

The prices for the Metafit class are as follows:
$8 per student per session (paid upfront for the entire term, $80 for a ten week term).
Or an early bird offer $70 paid in full before Tuesday 31 March 2015 for a ten week term.

Payment may be made by;
Cash (in an envelope with the child's name on it brought to first class)
Cheque made out to MetafitMe
Direct debit (EFT: BSB: 06 3779 Account Number: 10194182)

The first class will begin on Thursday 16 April 2015 until Thursday 18 June 2015.

I ask that payments are made up front at the beginning of each term. Other payment options can be arranged, if this is not possible. Parents will not be charged if the student misses a lesson due to illness or family holiday or if I am away, the fee will be carried over into the next term’s account. If payment has not been made or discussed with me the student will lose their place in the program.

If you wish to have your child enrolled in Metafit classes in Term 2, 2015 or would like any further information, please contact me by phone: 0419 673 668 or via email on: kelleighevans@gmail.com

Thank you,

Kelleigh Evans
