

2018 Parent Contributions YEAR 3

Dear Parents/Guardians,

Our mission at Wembley Primary School is to ensure that all students learn at high levels. As a Professional Learning Community, we provide high quality learning opportunities for all students by supplementing government funds with approved financial contributions and payments from parents.

School Council may request payment from families in the following three categories:

- Essential Student Learning Items
- Optional Extras and
- Voluntary Financial Contributions

Attached is information about our 2018 parent payment categories:

- Essential Student Learning Items and
- Voluntary Financial Contributions charges for the 2018 school year.

Also attached is the 2018 Parent Contribution Payment Summary Page for you complete prior to payment.

Our preferred payment option is via our Qkr! App (please see the Wembley Primary School website <http://www.wembleyps.vic.edu.au/> for details) or payment can also be made using cash, cheque, or EFTPOS at the office.

If making your payment at the office, please bring along your completed **2018 Parent Contribution Payment Summary Page**, page 3 of this document.

Payments can be made from **Thursday 1 February, 2018**.

Please Note: Additional school charges may arise during the year, e.g. swimming and some sporting activities beyond those that involve all students.

If, for any reason, you experience difficulty making payments please contact Mandy Pilkington, Business Manager on 9314 7054 to discuss possible support options and payment arrangements.
