**Junior School Council Profiles**

My name is Avison. I’m 7 years old and I’m in Year 1F. I like to play soccer. I like to be a JSC because I can go to meetings and suggest ideas to the JSC.

Avison H
Year 1 JSC

Hi My name is Tom and I am the JSC rep from 3C. I am only 8 years old. I like to play soccer and footy and my favourite video game is Mario Kart 8. I like being a JSC rep because I like going to the meetings and I like being a leader in my year level. I have lots of ideas that can help to improve the WPS. One idea is like doing a mini Olympics, having a sausage sizzle and a pyjama day.

Tom E
Year 3 JSC

Hello My name is Aniela. I am currently 8 years old and turning nine this year. I am the JSC representative for Year 3. I like being on the JSC because I can help people and make good choices for the school and make it a better place. I enjoy doing dancing, playing the piano, swimming, playing chess and speaking in Polish. I think that we should renovate and clean the toilets because they are very messy. I believe that we should have separate toilets for every year level. We should also have a fun activity day at school every month. Thank you for reading and listening to my profile for JSC 2016.

Aniela
Year 3 JSC

Stay tuned to next Week’s newsletter for some more interesting profiles of this year’s Junior School Council Representatives.
**Victorian Premiers’ Reading Challenge**
The Victorian Premiers’ Reading Challenge is now open and Wembley is excited to be participating.
The Challenge is open to all Victorian children from birth to 16 years in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by the closing date of the challenge.
Children from Prep to Year 2 are encouraged to read or ‘experience’ 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.
If you would like your child to participate, please return the privacy and consent form that has been distributed to your child and attached to this newsletter.
All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll.
For more information about the Victorian Premiers’ Reading Challenge and to view the booklists, visit: [www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)

**Community announcement:**
If your child or children receive(s) the Child Dental Benefits Schedule (CDBS) they will need to receive dental treatment before 1 July 2016 if they wish to access benefits under the schedule before its intended closure. Dental benefits will not be paid under the CDBS for any services provided from 1 July 2016. Patients already accessing care under the program at the Yarraville Family Dental Clinic should either book in to complete outstanding treatment before 1 July, or call the clinic to discuss the impact of the change. Inquires: 8354-7618.

**Changed Parking Conditions in St Leonards Ave.**
Parents are advised of the changed parking conditions on the St Leonards Avenue side of the school.
During the recent school holidays “No Standing” signs were erected to enable access for delivery trucks and vehicles associated with the building works happening in the street. Council advised this week that the parking restrictions were imposed to ensure safety of our students and local residents. They also stated that is the individual driver’s responsibility to check and adhere to the parking restrictions stated. If anyone has any further questions regarding the parking around the school you are advised to contact Maribyrnong Council, Department of Transport and Civic Design.
