From the Principals

Years 3 & 4 Soiree

Parents were entertained by students in Years 3 & 4 on Friday when they presented songs and musical items that they had been working on in their music classes this term.

The Year 3/4 Choir also sang a couple of songs that they had been learning and were delightful to hear.

Thank you to Gina Tan, Music teacher and Sarah Mason, choir coordinator for all of their hard work in preparing the children for the performance and thank you especially to our Years 3 & 4 students for an entertaining afternoon.

St Johns Ambulance First Aid Workshops

St Johns Ambulance visited Wembley today and presented a 'First Aid' program to all students in Years 3 to 6. The children were engaged and participated enthusiastically in the sessions astounding the presenters with their knowledge of first aid and safety procedures. This program is provided by trained St Johns Ambulance staff at no cost to the school and is valuable addition to our curriculum.

Canteen-Footy Lunch

The canteen will be having a special 'Footy Lunch' day tomorrow, Thursday 17 September.

There will be no other lunch orders available so if children have not ordered a special Footy Lunch they will need to bring lunch from home.

This also will be the last day that canteen will be open for the term. There will be no canteen sales for recess or lunch orders on the last day of term, Friday 18 September.

Free Dress Day

The Junior School Council will be holding a free dress day on the last Thursday of term, Thursday September 17 (same day as the Disco). This day will be held to support State Schools Relief, which is a not for profit organization that provides school uniforms and shoes to students in need. Students are asked to wear their football gear or sports uniforms and donate a gold coin to this worthwhile cause.

Junior School Disco

This is a reminder that the Disco will be held tomorrow night and that all children attending need to have returned a signed permission note. The Prep to Year 2 Disco commences at 5.00pm and pick up time is 6.00pm. All children will need to be picked up and signed out of the disco by a parent.

The students in Years 3-6 will arrive at 6.30pm and will need to be collected at 7.30pm.

All children will be given a bottle of water with their name written on and will have access to the toilets in the hall. Children will not be permitted to leave the hall under any circumstances unless accompanied by an adult. Children are requested to not bring any food or snacks along to the disco.

We will be entertained by the Carranballac College Rock Band.

The children and teachers are looking forward to a night of singing and dancing!

End of Term

The end of term assembly will be held at 2.00pm on Friday and students will be dismissed at **2.15pm**.

Term 4

The first day of Term 4 will be Monday 5 October and we will begin the term with our normal Monday morning assembly.

Wishing all of our families a safe and happy holiday and lots of opportunities to enjoy some lovely spring weather.

1:1 MacBook Program 2016 New Orders

This is a reminder that the final date for MacBook orders for 2016 is this Friday 18 September. The form must be accompanied with the deposit in order to secure a device.

1:1 MacBook Program 2016 Devices Re-entering the Program

Families wishing to re-renter a sibling's device into the program for 2016 will need to fill in the insurance form which can be found on the school's website or at the office, prior to the end of Term Four. This will include a payment of \$231 and will ensure the device is insured over the school holiday period.

Numeracy and Literacy Week

Thank you to all students, teachers and parents who engaged in activities throughout Numeracy and Literacy week. A large number of books were donated by both students and parents for our Indigenous Literacy Book Swap. We raised \$150. All proceeds will be going to the Indigenous Literacy Foundation, providing much needed books into Indigenous remote communities. We have also donated books that were left over to the Wembley WAG committee. There was a large number of students that engaged in numeracy lunchtime activities, guess the jar competition and in the numeracy challenge. The following students from both junior and middle years had the closest estimation in the paper plane competition Eve Mourad 2D and Veton Slatina 4C. The furthest distance in the paper plane competition in the junior and middle years went to Sam Metcalf 2C and Samir Mourad 4C. The winners of the numeracy challenge were Hannah Harvey and Mya Speedie. Alex Morris from 5A had the closest estimate to the number of bulldog clips in the jar with a guess of 352; there were 360 in the jar. We raised \$60 dollars from guess the number of bulldog clips in the jar. This money will go towards the purchase of a literacy resource for the school. Thank you again for everyone's involvement from the Victoria University PST's.

Junior School Council Profile

Hi my name is Jacob and I am the Junior School Council Representative for Year 4. I wanted to be the JSC Rep because I could help Wembley be a better place. I really like to play golf and tennis but I mostly like golf more because it is fun and enjoyable to play. The best thing about JSC is that they plan fun things like going to a fun run or delivering teddy bears to sick children in hospital and it is all fun. My favourite thing about school is Physical Education because it is fun and you get to play around a lot.

GLAMOUR TENT

PLEASE HELP!!

Families of 1B, 1A, 3C and Prep A are involved in delivering a better than ever Glamour tent for the family fun day. We will be painting nails, styling and colouring hair, tattooing and having fun with a photo booth.

It is time we got a little organized for the family fun day on the 14th of November.

We need a little help from all you beautiful people to get things going.

DONATIONS REQUIRED

What we are after...

- 1 Firstly ensure you have an hour or two to assist on the 14th** (formal roster to be completed later). Volunteer your time on the day! – this is for 1B/1A/3C/Prep A families only
- 2 Photo booth?** Any one know anyone that can donate or get us access to a very cheap official photo booth for the day? Otherwise we will set up an ipad driven one ourselves
- 3 Nail polishes or nail stickers/art** – we would love your donations. Anything in a nice colour, or sparkle. New or used. Please note it can be a used colour/s from your cupboard, but please ensure it still works/flows nicely/has a good brush/appears hygienic.
- 4 Hair products** – a can of really good hair spray, **coloured or glitter hair spray**, hair ties – especially the coloured spray pretty please. It can be a used product, however please ensure it is hygienic, still works and there is plenty left.
- 5 Money donations** – particularly if you feel that you are unable to contribute on the 14th or unable to buy or donate the above, we would really appreciate any monetary donations to contribute towards the cost of supplying the stall. As well as supplying any gaps in the products above and the tattoo products, we will be purchasing equipment (printers, paper, ink and apps for the ipads etc) for our photo booth. Again this is for 1B/1A/3C/Prep A families only

Donations will be given a receipt from the school and may be tax deductible.

Items 1 and 5 are purely a request for families in the allocated classes, but requests 2-4 can be anyone who has desire to help out. The more you give, the better our stall will be and it's potential to make money for the school! Coloured or glittered hair spray is what we would ideally love the most of!!!!!! As that will be highly desired by the kiddies – as well as any form of nail stickers/nail art

Where to donate...

We have set up a donations box near the office clearly marked for the Glamour tent.

Monetary donations can be made at the office using the slip below – or using a clearly marked envelope Family fun day – Glamour tent.

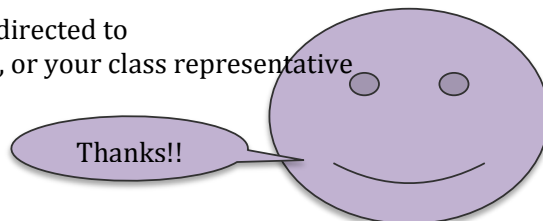

THANK YOU so much for your assistance! Any queries can be directed to

Blender Studios Tour around Melbourne's streets and alleys was amazing. It is a great opportunity for people to realise the art in graffiti. Having a tour with an artist as guide was a 'once in a lifetime' experience. I loved how artists would add the tiniest little features that made the art amazing. Our tour guide, Daniel Lynch, got his message out through his art by using old trash to make art. There were many different artists in Blender studios and they all got their message out through their art. I loved the big pieces that the artists would collaborate on. The guides provided a lot of history to what we were looking at. The disgusting amount of rubbish in the laneways was a fault though. I give the experience 4 ½ stars.

"Best time ever."
3th of September 2015
by Helena Dermentzoglou 5A

I can't think of going on a different tour, this was the best experience of a lifetime.

There were many vibrant colours around us and magnificent art that made the city what it is. There were many lanes that I didn't know about and now it is a place I will visit again.

The tour with Blender Street Art was 2 hours long and travelled all around the city. Our tour guide was Daniel, an artist that made art out of trash and he was very fun. At the end of the tour they take you their studio where the magic is made. I think the best lane for me was Hosier Lane. Apparently if you place your art on the wall it will only stay on for 3 months or less. We had a group of 20 or 22 and it was very easy to get around our wonderful city.

Blender Studios Review- Around the Twist

By Alex Morris 5A

We went on a tour with Blender Studios around Melbourne city. We definitely saw some great street art. Blender studios inspired all of us, with a fantastic tour of Melbourne City through a completely different eye.

Resonating colours and wacky doodles are surely enough to make anyone go around the twist.

Our guide, David, was excellently informed and had much to say about Hosier Lane, and many more famous laneways of Melbourne.

We walked for about two and a half hours straight, which tired us out greatly, but we all enjoyed it immensely, despite sore feet. I highly recommend this tour for anyone wanting to see a different perspective of Graffiti.

Imaginative Street Art switched my brain on

Review by Jordon Mazza-Downie

This amazing tour really opened my eyes about artists, and art its self. Our tour guide Chris, knew a lot about all the magnificent pieces. As I was walking through the lanes I really saw lots of imagination going into the art works. All the emotions and feeling in the art works really made me feel like someone was telling a story.

After every piece I saw I got swept away by the magnificent stories the paintings told me. Some were happy stories and some were sad stories. Some were gigantic paintings that two or more artists collaborated on together to tell their life stories or what they're fascinated in.

This tour inspired me and brought out my inner artist.

Street art, the way to see the city. There is now a new way to visit the city's most beautiful street art. That's why I love the idea of all these graffiti artists coming together to create a tour company that takes people on tour of the cities lane ways and explores different kinds of styles of street art. The tour guides are artists themselves, so they are able to show off their personal art as well as other artists. The tour was an astounding tour, they took us too many streets so we were able to see as much street art as possible. James Wilson took us on an awesome tour where he showed us the graffiti art in China Town. The tour lasted for two hours and over the time I was more and more astonished with the love and soul these artistic paintings have in them. Over all I was truly appreciative of the painting and effort these artists have put into these tours and paintings and I would definitely go on the tour again.

The tour guide was great!
Review by Sebastian Heffernan 5A

On Thursday the third of September, my class, 5A went into the city to do a tour of street art.

My favourite thing was probably the tour guide (Daniel) who knew nearly all of the artists personally. He also knew lots of stuff about the art pieces and he was an artist himself! He said he makes stuff out of garbage and pins them to walls. He pointed out all of his pieces as well as other people's works during our tour.

I really liked how he made connections with the other artists and set tasks for people to find secret pieces of art, such as the chameleons and the secret clay bird.

Although I loved the majority of this tour, I do think the tour was a bit long, and by the end of it, my legs started to hurt.

I also do think it was really awesome when Daniel took us into Blender Studios and showed us all of the stuff other people have created.

**WOW THIS ART IS AMAZE BALLS
REVIEW OF THE STREET ART
BY Benjamin Lazzaro 5A**

This tour was amazing. It had an amazing tour guide and his name was Christopher Hancock. The art was really good but there were some bad words but I didn't let that stop the fun that day. It took a total of 2 hours of amazing art. We went down many alleyways and lots of different places like one was Chinatown. The tour guide told us the name of the artists and where they came from. Christopher also told us why they did the art and if he did some of the art. Christopher told us where there was some cool art and also that many art goes away over time. I reckon it was a great experience and I really liked the staff and where we went. I highly recommend going to this tour of street art.

Is your Child interested in playing Basketball ??

PLAYERS WANTED!!

Under 10 Boys – Born 2008

(who are currently in Grade 2 in 2015)

The summer season 2015/16 for Altona (ABBA) starts in October and we have interest in a BOYS U10 bottom age team (boys born in 2008).

Basketball is a great way for kids to get active and have fun. It is a fast moving game that involves a lot of variety, including shooting, dribbling, passing, rebounding, defence and much more. The time commitment is fairly minimal – one training session a week (approx 45 mins at Wembley Primary School in Yarraville) and one game (approx 50 minutes) at Altona Sports Centre, Altona Meadows.

If you are interested and would like further information, please visit the Wembley Basketball Club website or contact the Club Registrar (Tina) via email.

Williamstown Swimming and Life Saving Club (WS&LSC) runs a fun Nippers Program for children aged 5-14 years (5 years old by Sept 30th). Nippers are taught about surf awareness and surf safety through the Surf Life Saving Education Program.

The program is conducted on a Friday afternoon at Williamstown beach. The season begins in November and runs through to March, stopping for Christmas and January.

For the upcoming season the club will also be running an accelerated Nippers program on a Sunday morning, for more information please attend the information sessions

What do you need to do to sign up for Nippers?

- To participate in the Nippers program, families are required to join the WS&LSC (New Family Membership starts from \$250) – includes use of the pool and facilities for the year.
- Every member 18 years and over (i.e. both parents/guardians) must have a **Working with Children's Check (WWCC)**, linked to both WS&LSC & LSV – details on website (<http://www.williamstownslsc.org.au/membership/working-with-children>) or at Information Sessions.

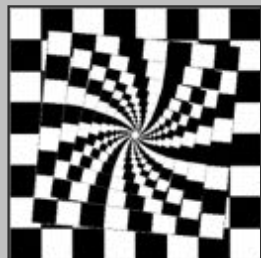

Memberships cannot be processed until we receive WWCCs

- Attend the Information Session at the club house to answer questions you have!

Information Sessions
Sunday Oct 4th at **4pm**
Sunday Oct 11th at **10am**
Wednesday Oct 14th at **7pm**
Sunday Oct 18th at **4pm**
