YEAR SIX STUDENT LEADERSHIP in 2018 (FOR CURRENT YEAR FIVES in 2017)

As we near the end of the 2017 school year, our thoughts have begun to turn to 2018, and we are pleased to announce that we will be trialling a new process for selecting and awarding our student leadership positions.

In previous years, positions of leadership have not been decided upon until the middle of Term One, however this year we are starting this process early. It is our intention to have provided opportunities for the current Year Fives to prepare and apply for certain positions before the end of this year, and to announce these during the last week of 2017.

Leadership workshops will be held during lunchtimes for those students who would like further information about any of the positions and/or help with their applications. It is preferable that the majority of their applications be completed in

school. These workshops will provide plenty of opportunity to do so. A range of Year Five teachers teachers and leadership staff, plus current Year Six School Captains, will be on hand during these sessions to provide feedback and assistance. We encourage all students to get involved and have a go!

The table below outlines the positions that will be announced this year, those that will be announced at the start of 2018, and all the associated timelines. All positions are carefully considered by classroom teachers and members from leadership.

If your child is interested in a position, but you have a planned trip or early family holiday, please communicate with their classroom teacher as early as possible, so that we can try to accommodate this by making alternative arrangements. Should you have any questions, please do not hesitate to ask your child's classroom teacher.

Junior School Council visit to School Council Meeting in November

On Monday evening the Junior School Council were invited to have dinner with the School Council and to attend the November meeting. We would like to share our presentations with you.

Below is a brief snapshot of the Junior School Council's busy year.

1. Term 1-Free Dress Day-Good Friday Appeal-RCH (Emily apology)

Esme Lynton Declan

A Free Dress Day was held on the last Friday of term and an Easter Basket raffle (all goodies donated by the generous Wembley families). Supporting the Good Friday Appeal at RCH we raised \$2264.40.

Early Term 2 Esme, Declan, Emily and Lynton accompanied Annmaree Jones to the RCH on 7 June to present the cheque to Amanda Caldwell, Co-ordinator, the Royal Children's Hospital Foundation. Amanda then gave us a tour of the hospital-meerkats, games and fun area, theatre and the Starlight Foundation.

2. Term 2 focus on purchase of Defibrillator for the school.

Brooke Dion Kobe Lila, Edward, Frankie

The idea to fundraise to purchase a defibrillator came from first aid sessions conducted by St John Ambulance at school. Every grade had a 50 minute first aid and safety lesson and the instructors told us about the value of having a defibrillator on hand. A person has a 70% greater chance of surviving a heart attack if there is a defibrillator used within the first few minutes as well as have CPR applied.

The teachers all did a level 2 First Aid course one Saturday in May and they were instructed in the use of a defibrillator.

JSC busily wrote to all local business, local estate agents, and community

groups. Donations were received from Save4Kids, Hocking Stuart Estate Agent, Febbo family, Blunt Boat Builders, Bendigo Community Bank and Dynamic Duo.

3. The Defibrillator

Edward Year 3

Hello my name is Edward. Today I am talking about the Defibrillator. The funds for this device came from donations via letters written to local businesses, the JSC disco and more.

We now have this device for the school and local community. I think that it was worth the effort. We needed about \$2500 and we blitzed it!

This device will help the community in case of an emergency.

This is all I have time for. Thank you and good-bye.

Lucas F Year 4

Hi my name is Lucas and I'll be talking about our schools defibrillator. The defibrillator is now in the office and ready to go. Many companies and people have raised money for it such as Save a Kid, Blunt Boat Builders, Dynamic due, Bendigo community Bank and the Febbo family (my late grandmother donated to the cause). The defibrillator cost \$2450 and we purchased it from St John Ambulance.

4. French Day at Wembley

Lila Year 1

In Term 2, we had French Day. The games we played were Giant Connect 4, Snakes and Ladders, Guess Who and Famous Places in France and we also dressed up in French themed costumes.

We had so much fun.

Brooke Year 2

Today I am going to talk to you about French Day. The reason we did French Day and the activities was because we were trying to raise money for a defibrillator for school. We did a book mark stand and played some games like Hookey and Pin the Smile on the Mona Lisa and Snakes and Ladders. We also made pictures of famous places in France. In school we had some French treats and we dressed in French clothes and wore berets. Thank you for listening.

Kobe Year 1

Some of the other games that we played skittles for the Preps and bowling. I like JSC but I like to play with my friends too so when the half bell rings I like to go outside and join in with my friends.

5. Pink Buns for the Breast Cancer Network

Once again this year the JSC helped with the selling of Pink Buns for the Breast Cancer Network. This was in conjunction with Baker's Delight, Footscray \$640.00 raised for the cause. The JSC sold the buns at recess and lunchtime.

6. Term 3 JSC Disco

Frankie Year 1

In Term 3 we had a disco and it was organized by the JSC and the Wembley Parents 'Group. We were trying to raise money for a defibrillator.

We had a DJ and he was my dad and he was called DJ Dadtastic. He was pretty good. Mrs Jones handed out the prizes for the best robot dancer and the best air guitarist. We had glow bracelets and glow in the dark rings.

The Kids had fun, the music was pop music and very loud.

Thank you to the parent helpers and the teachers who came to the disco and guess what?

We raised enough money for the defibrillator!

The disco was awesome and we should have another one next year.

7. Term 3 JSC raised funds for The Kids Cancer Project-\$ 941.45

Mischa Elena

Hi I'm Mischa and today I am talking about to you about the Kids Cancer Project. In Term 3 the JSC and Wembley Primary School raised money for the Kids Cancer Project by holding a free dress day. Everyone came to school in casual clothes and

donated a gold coin. We raised \$941.45 and we sent a cheque to the Kids Cancer Project. It is an organization that supports research into all types of cancer in children. Thank you.

8. Term 3 Pie Drive was conducted by Wembley Parent and Community Group.

Joseph Cameron Esme

The generously gave funds to JSC to purchase a new flagpole for the Friendship Garden that would proudly fly the Aboriginal flag. A new flag was received from Tim Watts, Federal Member for Gellibrand, office. Thank you letters were written by JSC.

9. Term 3 & 4 Playground Walkthroughs and input sought from JSC. **Aakriti and Eleni**

Hello we are two of the school captains for this year. This year we have worked towards renovating the school by means of the Wembley Master Plan, a project developed in 2015,

Two new play areas have been built around different areas of the school.

These are the new Nature Playground, the Adventure Playground and the Friendship garden all of which have been recently renovated.

These new assets in the school have improved both the look of the school and the happiness of the pupils here at Wembley Primary.

There have been the instalments such as the water pump, rock climbing wall, new vegie garden and many more areas.

We are very happy with the changes at Wembley and although we can't be here to witness the rest of the Masterplan in action we hope the current students and students to come will enjoy it.

10. Term 4 Planned activities-Christmas Hamper raffles **Lucas C Year 5**

So I don't know if you know but this year once again JSC are holding a Christmas Hamper raffle.

Because last year's JSC had voted to sponsor a child through World vision and did not get around to doing it, now the 2017 JSC would like to honour this commitment and therefore the proceeds from the Christmas raffle will be allocated to this cause.

Families will be asked to donate goods for the hampers, tickets will be sent home with each student and the raffles will be drawn at our final assembly on Friday 22 December.

Thank you for listening.

The JSC are now happy to answer any questions that members of School Council may have.

Social Skills

Resilience, Rights and Respectful Relationships is the Social Skills program we commenced as a whole school this year. So far this year, we have covered skills such as;

- **Term One:** Emotional Literacy and Personal Strengths
- **Term Two:** Positive Coping and Problem Solving
- **Term Three:** Stress Management and Help Seeking
- **Term Four:** Gender & Identity and Positive Gender Relations.

The *Resilience, Rights and Respectful Relationships* learning materials are designed for teachers in primary and secondary schools to develop students' social, emotional and positive relationship skills. Efforts to promote social and emotional skills and positive gender norms in children and young people has been shown to improve health related outcomes and subjective wellbeing. As students work through the last two topics of the year, we will share resources with parents as a way to empower families with content knowledge and familiar vocabulary to continue conversations at home if you wish.

Parking

We have been contacted by a number of concerned community members around safety issues at school drop off and pick up times. A reminder to please obey all council signage and VicRoads road rules in order to keep our children safe. We are encouraging students to walk to and from school with their parents or carers now that the weather has warmed up.

Term 4 Sun Smart

Wembley Primary School is an accredited Sun Smart school and adheres to the 'No Hat, No Play!' policy. During Terms 1 and 4, all students must wear a broad brimmed hat when playing outside at recess & lunch breaks, when participating in sporting activities and when attending camps and excursions. Children who do not have a suitable broad brimmed hat must remain in the shaded 'Eating Area' near the canteen. Sun Smart school hats are available for purchase from the office and we ask that the child's name and grade is clearly marked, with a permanent marker on the inside of the hat. We ask parents to ensure that sunscreen is applied to their child prior to coming to school in the morning. Sunscreen is available in each classroom for students to reapply throughout the day, as required.

Reminder about bell times

Parents are reminded of the school bell times for arrival in the morning and home time at the end of the school day. Students are expected to be at school and in their classrooms at 8.55am each morning. The first bell rings at this time to allow students to organize their belongings (lunch orders, water bottles, reading satchels, homework etc.) at the beginning of the day. Any students who arrive before 8.30am are to proceed to the school office. Students should not be dropped off and left in the playground without parental supervision before this time. The playground is supervised from 8.50am for student arrival. The Before Care program dismisses students at this time. There has been an increase in the number of students arriving well before 8.30am each morning. Similarly the home time bell rings at 3.15pm for afternoon dismissal. At this time all students who walk home or meet their parents along the way need to leave the school grounds. Following the final bell, which rings at 3.30pm, students who have not been collected by their parents or carers are asked to come to the school office, where a staff member will telephone parents. On the occasion of a parent being potentially late for pickup time a phone call should be made to the office explaining this and the student will be called to the office area to await collection. Many students are staying on and playing in the playgrounds or on the soccer pitch after school. The playground is supervised until the final bell at 3.30pm and all students should have left the school grounds by this time. Teachers have meeting and preparation commitments after school. Students who are still in the playground after this time may cause problems for the Out of School Hours Care Program, which requires access to all available outside playing areas each afternoon. It is recommended that students are not to go to the library over the road from school without parental supervision. It is not the responsibility of the librarians to supervise and manage students. Your support with this will ensure the safety and well being of all students.

2017 Camping Program at Wembley

The camping program at Wembley enables students to further their learning and social development in a non-school setting. It is designed to assist with the gradual development of independence and responsibility by providing engaging, challenging and educational experiences beyond the classroom, for all students. The program has been sequentially planned to enable all students from Prep through to Year 6 to participate in.

To assist parents with future planning the following dates of camps for 2017 have been confirmed.

Year 4-Sovereign Hill, Ballarat-Monday 27 to Wednesday 29 November (3 days, 2 nights)

Year 3-The Island, Phillip Island-Wednesday 29 November to Friday 1 December (3 days, 2 nights)

Year 1-Games, dinner and movie at school-5.00-November-December, date to be decided

Prep-Stay and Play-afternoon tea and games at school, adjacent to school day, November-December, date to be decided.

Further information will be sent home to each year level regarding their camping activities, closer to the date.

If you have any questions regarding the Camping Program at Wembley, please direct them to Annmaree Jones.
