There is coding, choir, dance, sporting activities and more! Please remind your child to check the daily clubs schedule for some activities that they may be interested in.
**BOOK SWAP:** To take part in the fun, students need to bring along a book that they are happy to swap with another student and a gold coin donation to choose a “new” book. The Indigenous Literacy Foundation (ILF) works to put books into the hands of children and families in remote Indigenous communities across Australia. In the lifetime of the project, with the support of many people and organisations including schools, they have sent more than 120,000 new, high quality books to over 230 remote communities. The ILF also runs an early literacy project called Book Buzz, which puts board books into the hands of babies, toddlers and their families. The Foundation has published and funded more than 40 community books, some of which are translated into first language. Please help us support their great work! There will be a box set up outside the office labeled for this purpose. Then don’t forget to bring your gold coin donations on the day! Thank you.

**Footy Day at the Canteen-Tuesday 13 September**
The canteen will once again hold a special ‘Footy Day’ lunch on the last Tuesday of the Term 3, Tuesday 13 September. Children will be able to order a pie or hot dog and flavoured milk. We have already engaged with our staff and our Junior School Council representatives to gain their insights and suggestions. There will be three opportunities to give feedback for parents:

**IMPORTANT WBJC UPDATES:**
Hi everyone,
Following our last Committee meeting, please note the following:

1) **AGM & New Committee Members required**
Our Annual General Meeting will be held in October this year. Whilst a date is to be confirmed, we have a number of positions becoming vacant that require volunteers to fill in order for our club to continue to operate. If you are interested to join the WJBC and help keep our teams on the court please let us know. Many hands make light work and we will struggle to continue without new committee members.
2) **BYO Basketballs to Training**
Our club supply of basketballs at training has all but disappeared. As such, going forward we ask that your player bring their own ball to training please. This will ensure everyone has a ball to train with and accountability for your own ball going back home. Effective immediately.

3) **New Under 8's Team**
Expressions of interest are open now to register a new mixed Under 8's team at Altona for the upcoming summer season. If your child is born in 2010-11 and would love to join the rising stars of WJBC please let us know.

4) **Sponsorship**
The Club is seeking a sponsor for our new, soon to be launched, team uniforms. If you or anyone you know would be interested please contact Adam on 0430 222 697 to find out more. Lots of opportunity for involvement and exposure within the school and wider community!
Any questions please contact Marnie at communication@wembleybasketball.com.au

**Sentral**
Are you logging onto the Sentral Parent Portal at the end of every week? Stay involved with your child’s learning and view their up to date progress. If you haven’t accessed Sentral, we don’t want you to miss out. This week we are calling all families that aren’t registered and helping to get everyone involved! Please email our specialised Sentral Helpdesk for any assistance: sentral@wembleyps.vic.edu.au

**Resources:** Click here to access the Essential Learning Semester Planners, Scales and Vocabulary to understand Essential Learnings and How Reporting at Wembley works.

**Reporting:** End of Semester Reports are available from 2015 and 2016.

**Assessments:** View Ongoing Essential Learning Progress in Mathematics, English and Specialist.

**Attendance:** View the attendance ‘heat map’ to see student absences.

**Wembley Primary School tiqbiz App**
Last Term we launched a school app called tiqbiz. Each student received a pack containing individual registration information. This app is NOT part of Sentral. For ongoing reporting and individual student absence information you will still need to access Sentral.
The school will be using tiqbiz to send out the school newsletter, general updates, reminders, events and much, much more!

**tiqbiz** is available on iPhone, iPad, iPod, Android Phone, Android Tablet and Windows phone devices. We kindly ask that you download **tiqbiz** on your device, register a free account then find and tick the school.
If you require assistance with tiqbiz or Sentral please email: sentral@wembleyps.vic.edu.au

Book Week

Visiting Authors
Over Book week, we’ve had some well-known authors visiting our school to speak to our students about their writing craft, their illustrations and their inspirations for their writing. The authors were very entertaining and informative.
The visiting author for Prep, Year 1 and Year 2 students was Anna Walker.
The visiting author for Year 3/4 students was Felice Arena.
The visiting author for Year 5 students was Shamini Flint.
The visiting author for Year 6 students was James Phelan.

Book Week Parade
The sun shone down on a perfect Wednesday morning. Students and teachers came to school dressed in a sea of colour. Characters from books were everywhere. We paraded with pride and celebrated our love of books. Back in our classrooms, we wrote our writing reflections and let our creativity describe the fun had by all.

I liked when we sat in a big circle. Ella 1E

I liked the music because the songs were hits that I knew. Ava 3B

The Book parade was my best day ever. Christian Prep C

I had a tiger mask and Mr. Hart saw me and Ryan. Hugh 1B

I dressed up as a pirate from Treasure Island. Sam 3B
The Wembley students and teachers had the privilege to work with Mr. K this week. He introduced us to Visual Literacies and connected Art and picture story books with Reading and Writing.

The teaching teams were also very fortunate to work with Janelle Wills from Hawker Brownlow. Janelle assisted teaching teams to continue our work on the guaranteed and viable curriculum, as she helped us create Proficiency Scales in English.

Decorate a Doorway

All classes have decorated a doorway in the theme of their chosen story. The displays have involved art and craft, as well as literacy, reading and writing. The effort of our students and teachers is outstanding. We invite you to come in and have a look if you have the opportunity.
Dear Parents,

The Senior Show (Yr3-6) opening night is tonight Wednesday 31st August 5:30-7pm. Entrance is a gold coin per person or $5 for a family of five or more. Your admission will put you in the running for some fantastic door prizes, which will be drawn on the night at 6.30pm.

As with the Junior Show, all of the senior students’ work will be ‘for sale’ (gold coin) and our budding artists are excited by the prospect of friendly competition within their family to buy their art work. All sold works will display a gold, sold sticker and we hope to see many gold dots on the night. If you can’t be there for opening night, you can still purchase your child’s artwork through the office.

The senior students have put a lot of effort into their artworks and the Grade Six students will have three pieces of their work on display during this show. The photo booth was very popular at the last show, so we hope you will take the time to snap some funny ‘selfies’ like our teachers and post them on Social Media.

There are three prizes in our Major Art Raffle. An amazing Gyotaku print created by Naoki Hayashi, which came all the way from Hawaii, a beautiful water colour painting by Rodney Symmons and a lovely patchwork quilt created by Dianne Symmons. Tickets have been sent home with students are will be available for purchase throughout the Senior Art Show. Tickets for our Major Art Raffle can also still be purchased from the office and will be drawn at the conclusion of both Art Shows.

Numeracy Week Celebrations

There are lots of activities happening at Wembley during Numeracy Week. Students are invited to join in as many activities as they like.

Guess the Lollies
There will be a, “Guess The Number Of Jelly Babies In The Jar,” competition.
50 cents per guess, or $1.00 for 3 guesses. Bring in some coins and have a go.
You win all the jelly babies!

Lunchtime activities will be running
Monday- Junior Maths trail
Tuesday – Senior Paper Plane throwing competition (estimate & measure)
Wednesday – Junior Paper Plane throwing competition (estimate & measure)
Thursday – Senior Maths Trail
Friday – Length/weight estimation activity

Also, check out the maths challenges in the newsletter for juniors and seniors. Submit your answers in the box near the office. Great prizes to be won!

I offer flute lessons, recorder lessons and Suzuki Flute lessons to students of all levels and ages (from 3-4 years of age) and Music Theory lessons. Lessons are held at my studio in South Kingsville. Lessons run weekly during school terms and are 20, 30, 45 or 60 minutes in length, depending on the age and level of the student. Adults can have fortnightly lessons if preferred. I endeavour to have all my students experience the joy and sense of achievement that comes with being able to play a musical instrument.

Not only do you get to experience the joy of looking after an adorable puppy without any of the associated costs, you can also enjoy the satisfaction of knowing that you are assisting someone who is blind to live the life they choose.

Seeing Eye Dogs Australia is urgently in need of loving homes for puppies.
