SENIOR SCHOOL MUSICAL GREAT SUCCESS!

Last night was the Wembley Premiere of “It’s a Jungle Out There”, which was performed by the Senior School at Quin auditorium, Caroline Chisholm College, Braybrook. The audience were treated to a musical extravaganza of superb singing, dancing and acting. It tells the story of the frogs who are looked down upon by all of the other animals of the jungle village of Chandra. The lead cast, who have worked extremely hard over the past term, under the direction of Gina Tan and Cath Bain, performed brilliantly on the night with their singing, dancing and acting. The class performances were a highlight too with all students getting into the groove of it! A second performance is planned for tonight. Thank you to all of the parents who came along and supported the students. A special thank you to the directors, costume helpers, back and front of stage crew and finally to the students and teachers of Wembley for your wonderful contribution in making this such a successful production.

BOOK WEEK AND NUMERACY WEEK 2017

Book Week and Numeracy Week have been celebrated over the last two weeks with a host of events, in and out of the classroom. The students enthusiastically participated in activities from sharing books with Buddies to designing paper planes. Authors, Kim Kane, Wendy Orr and Bernard Caleo, imparted their knowledge and advice. Many students felt inspired when listening to the experiences of these three award winning authors. At the 'Dress Up As Your Favourite Book Character Parade' students expressed their love of literature by designing and wearing costumes. We commend all students who took on the Numeracy Challenge. Many students persevered to get all answers correct, and the answers were drawn in a lucky dip from the correct entries.

Student Clothing

Please ensure that your child’s clothing is clearly labelled with their name and class. This will ensure that, if they accidentally leave a jacket or hat in the playground, it will get returned to them and not end up in the lost property cupboard.

Congratulations to Matisse Turton, Susanna Lieu, Izzy Goodman, Mia Dunn, Lachlan Marotti and Lucas Wilson.

The Paper Plane Competition was a well attended event. The award winning plane from the Junior Competition was designed, constructed and flown by Spencer Burgoyne. The winner of the Senior Competition was Lucas Wilson. Three hundred and forty three jellybeans were in the jar. Emily Wilson's estimate was closest in the junior division and Taylah Mulholland won the senior competition. We hope they share their winnings!

Reminder about bell times

Parents are reminded of the school bell times for arrival in the morning and home time at the end of the school day. Students are expected to be at school and in their classrooms at 8.55am each morning. The first bell rings at this time to allow students to organize their belongings (lunch orders, water bottles, reading satchels, homework etc.) at the beginning of the day. Any students who arrive before 8.30am are to proceed to the school office. Students should not be dropped off and left in the playground without parental supervision before this time. The playground is supervised from 8.50am for student arrival. The Before Care program dismisses students at this time. There has been an increase in the number of students arriving well before 8.30am each morning. Similarly the home time bell rings at 3.15pm for afternoon dismissal. At this time all students who walk home or meet their parents along the way need to leave the school grounds. Following the final bell, which rings at 3.30pm, students who have not been collected by their parents or carers are asked to come to the school office, where a staff member will telephone parents. On the occasion of a parent being potentially late for pickup time a phone call should be made to the office explaining this and the student will be called to the office area to await collection. Many students are staying on and playing in the playgrounds or on the soccer pitch after school. The playground is supervised until the final bell at 3.30pm and all students should have left the school grounds by this time. Teachers have meeting and preparation commitments after school. Students who are still in the playground after this time may cause problems for the Out of School Hours Care Program, which requires access to all available outside playing areas each afternoon. It is recommended that students are not to go to the library over the road from school without parental supervision. It is not the responsibility of the librarians to supervise and manage students. Your support with this will ensure the safety and well being of all students.

2017 Camping Program at Wembley

The camping program at Wembley enables students to further their learning and social development in a non-school setting. It is designed to assist with the gradual development of independence and responsibility by providing engaging, challenging and educational experiences beyond the classroom, for all students. The program has been sequentially planned to enable all students from Prep through to Year 6 to participate in.

To assist parents with future planning the following dates of camps for 2017 have been confirmed.

Year 4-Sovereign Hill, Ballarat-Monday 27 to Wednesday 29 November (3 days, 2 nights)

Year 3-The Island, Phillip Island-Wednesday 29 November to Friday 1 December (3 days, 2 nights)

Year 1-Games, dinner and movie at school-5.00-November-December, date to be decided

Prep-Stay and Play-afternoon tea and games at school, adjacent to school day, November-December, date to be decided.

Further information will be sent home to each year level regarding their camping activities, closer to the date.

If you have any questions regarding the Camping Program at Wembley, please direct them to Annmaree Jones.
